

Applicant and holder:

Relaxera Pharmazeutische Gesellschaft mbH & Co. KG

Relaxera® is a registered mark (DE302015109194)
of the Relaxera Verwaltungs GmbH

Abbreviation		Country	Titel/Subject	Application date	Patent number
RLX00182AU	AU	Australia	RLX for treating heart failure with preserved ejection fraction	26.05.2015	2015261786
RLX00182CHPC	CH	Switzerland	RLX for treating heart failure with preserved ejection fraction	26.05.2015	3145534
RLX00182FREP	FR	France	RLX for treating heart failure with preserved ejection fraction	26.05.2015	3145534
RLX00182GBEP	GB	Great Britain	RLX for treating heart failure with preserved ejection fraction	26.05.2015	3145534
RLX00182GREP	GR	Greece	RLX for treating heart failure with preserved ejection fraction	26.05.2015	3145534
RLX00182ITEP	IT	Italy	RLX for treating heart failure with preserved ejection fraction	26.05.2015	3145534
RLX00182JP	JP	Japan	RLX for treating heart failure with preserved ejection fraction	24.11.2016	6580599
RLX00182US	US	United States of America	RLX for treating heart failure with preserved ejection fraction	26.05.2015	10,226,512
RLX00183DEEP	DE	Germany	RLX for treating Impaired Glucose Tolerance	22.02.2013	2817026
RLX00183EPPC	EP	European Patent	RLX for treating Impaired Glucose Tolerance	22.02.2013	2817026
RLX00183FREP	FR	France	RLX for treating Impaired Glucose Tolerance	22.02.2013	2817026
RLX00183GBEP	GB	Great Britain	RLX for treating Impaired Glucose Tolerance	22.02.2013	2817026
RLX00218AUPC	AU	Australia	Process for preparing human relaxin-2	03.08.2012	AU2012291972 B2
RLX00218DEEP	DE	Germany	Process for preparing human relaxin-2	03.08.2012	2739647
RLX00218FREP	FR	France	Process for preparing human relaxin-2	03.08.2012	2739647
RLX00218JP	JP	Japan	Process for preparing human relaxin-2	03.08.2012	6276690
RLX00218USPC	US	United States of America	Process for preparing human relaxin-2 (Pharis --> Relaxera)	03.08.2012	9434780
